

THE JETTY

AT CORI HORNBÆK HOTEL

MENU

WHERE THE SEA MEETS THE SCENE

Hornbæk has always known what to do with a sunset. Generations dressed up just to watch the sky burn gold over the harbour, backs to the sun, eyes on each other. Some came for the view. Some came for the company. some came for reasons nobody wrote down.

The Jetty keeps the tradition alive. Coffee and conversation by day, crafted cocktails and cosmopolitan energy by night. A place to be seen, to linger, to start the evening or end it well.

Timeless, tied to the harbour, always facing the sunset.
